BUT "THE SACK"

DIDN'T BRING WHISTLES

CREDITS. . . . . .

SENIOR PORTRAITS by Bertholds PHOTOGRAPHY by Richard Sick COVER by Kingskraft YEARBOOK ADVISOR Kay Vanda PRINTING by Frank A. West Co., Inc. STUDENT PHOTOGRAPHER - C. Socha.

Remember the times we've had here in dear old J. C.? There was the time for football and the time for basketball; there was the time we sleepily entered our first period class and the time we gratefully left our seventh period class. . . There were the times we dashed frantically into the building at 8:24 and ran to our spacious lockers only to have all the books and papers fall out into our faces and onto the floor. . . There were the times Assembly, during a program or a pep rally. . . There were the times after the games, at the dances, and after classes at the Snack Bar. . . There were the times we didn't do our homework, and so, of course, the teacher called on us first. There were the times we gazed dreamily out the study hall watching it snow, or nearly broke our necks trying to see the cute guy three seats behind us. . . There was the time of graduation from 9th grade, and the wonderful time of the Senior Prom and our graduation from J. C.

There were all these times and many more events we will always recall with a pang of Nostalgia as time goes by. . .

ACTIVITIES

JANUARY CLASS SONG

Hallowed halls of J.C.
We will dream of you
These carefree days of learning
When all our plans were few

So soon and sorry to leave you
We'll be creatures lost and blue
We'll miss you dear old J.C.
In Hallowed halls anew.

So long for now dear J C.
We'll return to you someday
So keep your doors e'er open
Where Friends may always stray.

JUNE CLASS SONG

Dear J.C. High, we bid farewell;
We stand at Life's great door;
But in our hearts your memory
Will live forevermore.

Although the years will come and go,
And we'll be far apart,
The thoughts of days which we spent here
Will linger in our heart.

Now we the class of '58
Say farewell to your halls,
We'll try to live as we were taught
Within your ivied walls.

The Key Club is the school's service club and it is sponsored by the local Kiwanis Club. Boys are selected to join this club by teachers and the present members on the basis of their record in school, extra-curricular activities, and their character.

This year, as usual, they put out the handbook, the "Rouser", to acquaint the sophomores and new students with the school. A new project this year was a series of hot pie sales. They proved to be very popular with the students. Again this year, they decided to let the faculty win the volleyball game.

As representatives of the best male students, they are ready to help out at any time and always appear as an active and happy group that is a definite asset to the school.

Seated: Gary Winters, Vice-President; Paul Sopchak, Secretary.
Standing: Bill Brutvan, President; Jim Lewis, Secretary.

For the first time, the student body elected the officers of the Council. Phil Young and Judy Hoffer were elected president and secretary respectively. The vice president, who this year is Gary Winters, is also the president of the Senior A Class.

the Maroon

The new look came to J.C. this year by means of the school paper, "The Maroon". The cover page was designed under the supervision of Mr. Vanda, and printed by Mr. Evers and the print shop. The rest of the paper was typed by several students, and mimeographed by Miss Crimmins.

The Maroon has a two-fold purpose. First that of any other paper--telling what's going on. The second purpose is to give students, especially those interested in journalism, a chance to write for and run a newspaper.

The entire paper is put together by students under faculty division. Anyone who wishes can write for the Maroon merely by going to one of the student editors and asking for an assignment.

The paper includes news articles, inquiring reporters, boy and girl of the month, athletes of the month, celebrities, boys and girls sports, teachers of the month, and several other features.

This year the editor-in-chief was Gloria Boga and assistant editor Phil Young. The other editors were Sandy Rafter, news; Ruth Opal, feature; Pat Ulbrich, circulation; Kathy Rafferty, girls sports; Joe Leonard, boys sports. The entire staff has been under the terrific faculty advisory of Mr. James McCabe.

WILDCAT

The Wildcat got under motion this year with the selection of Marilyn Varney and Philip Young as co-editors; Mary Lou Stevens, photography; Marcia Tinder, Neal Smith and Sally Townsend, art; Phyllis Benderoff, promotion; Bertie Lubert and Rosemarie Tomazic, advertising; and Gary Winters, sports.

After many, many months of hard work, the yearbook was put to press, and the editors hope that the result will be an annual that will be treasured in the years to come.

JUNIOR VARSITY FOOTBALL

Our great Junior Varsity football squad surprised everyone with its five aggressive and winning combination. The team was coached by Joe Giannetto, who led them to a fine 4-1 record, being beaten only by the Central J.V.'s. Vestal's team also ended up with the same record and in a playoff game Vestal was beaten by a spirited group of boys 13-0 for the Triple Cities Championship.

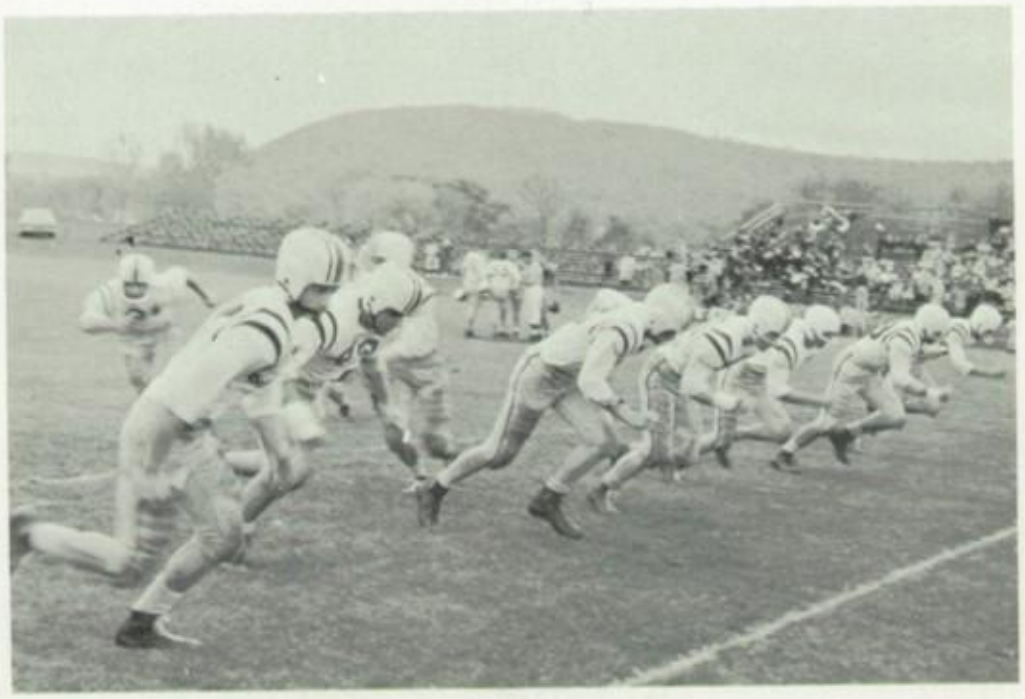
Congratulations to a fine J.V. team for bringing home the championship for the first time in several years.

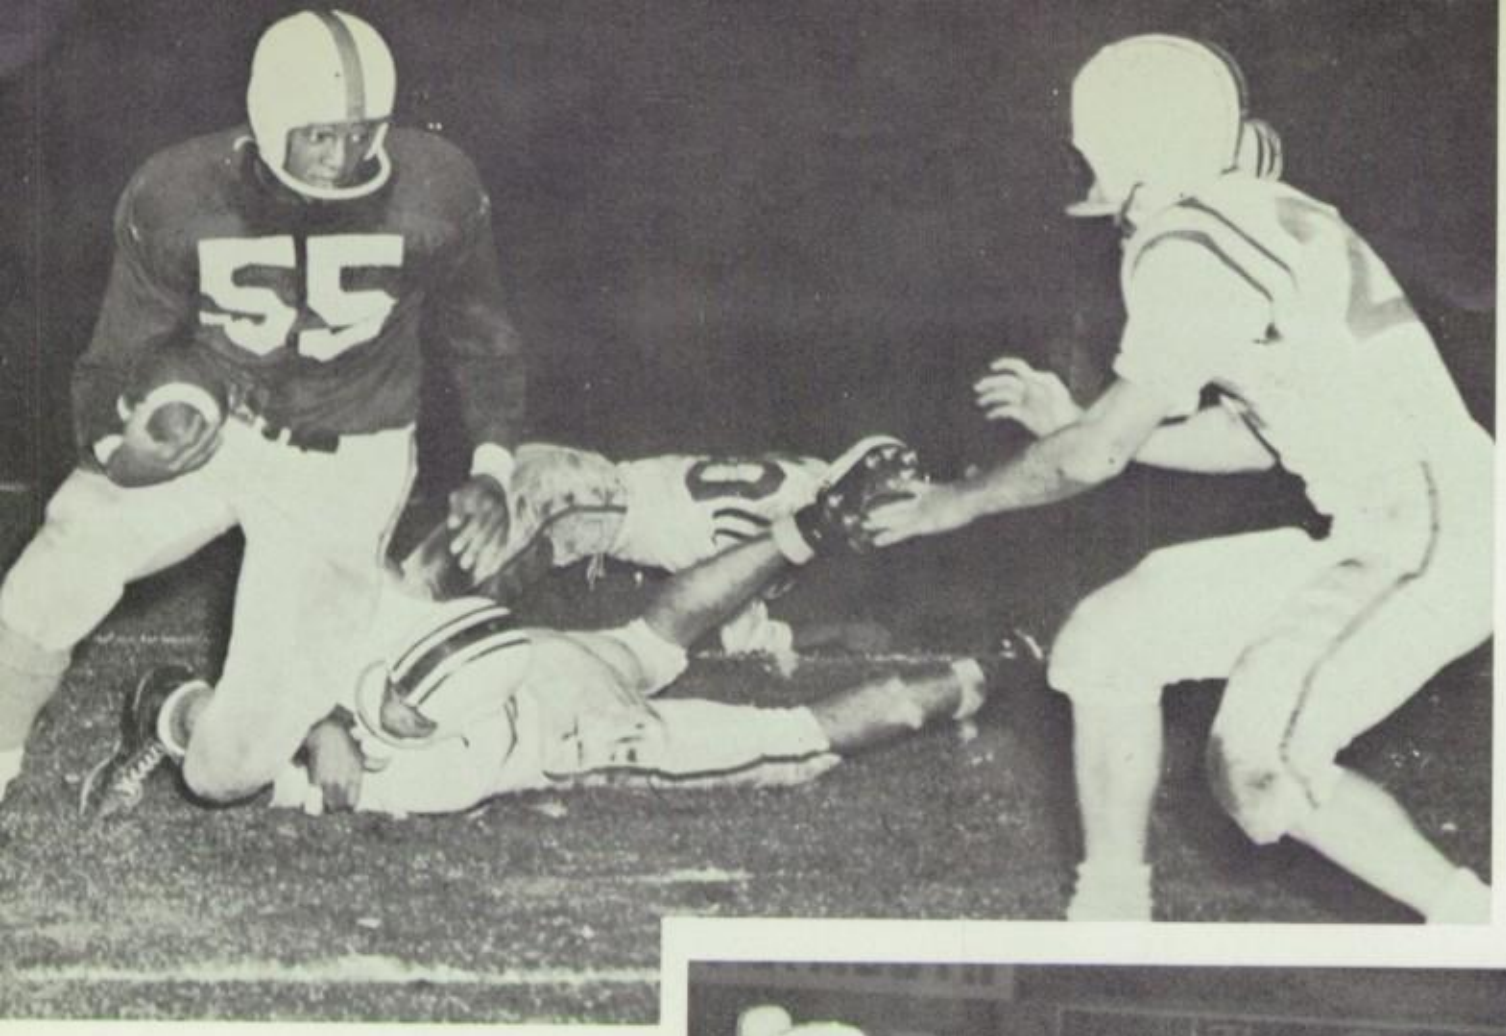
VARSITY FOOTBALL

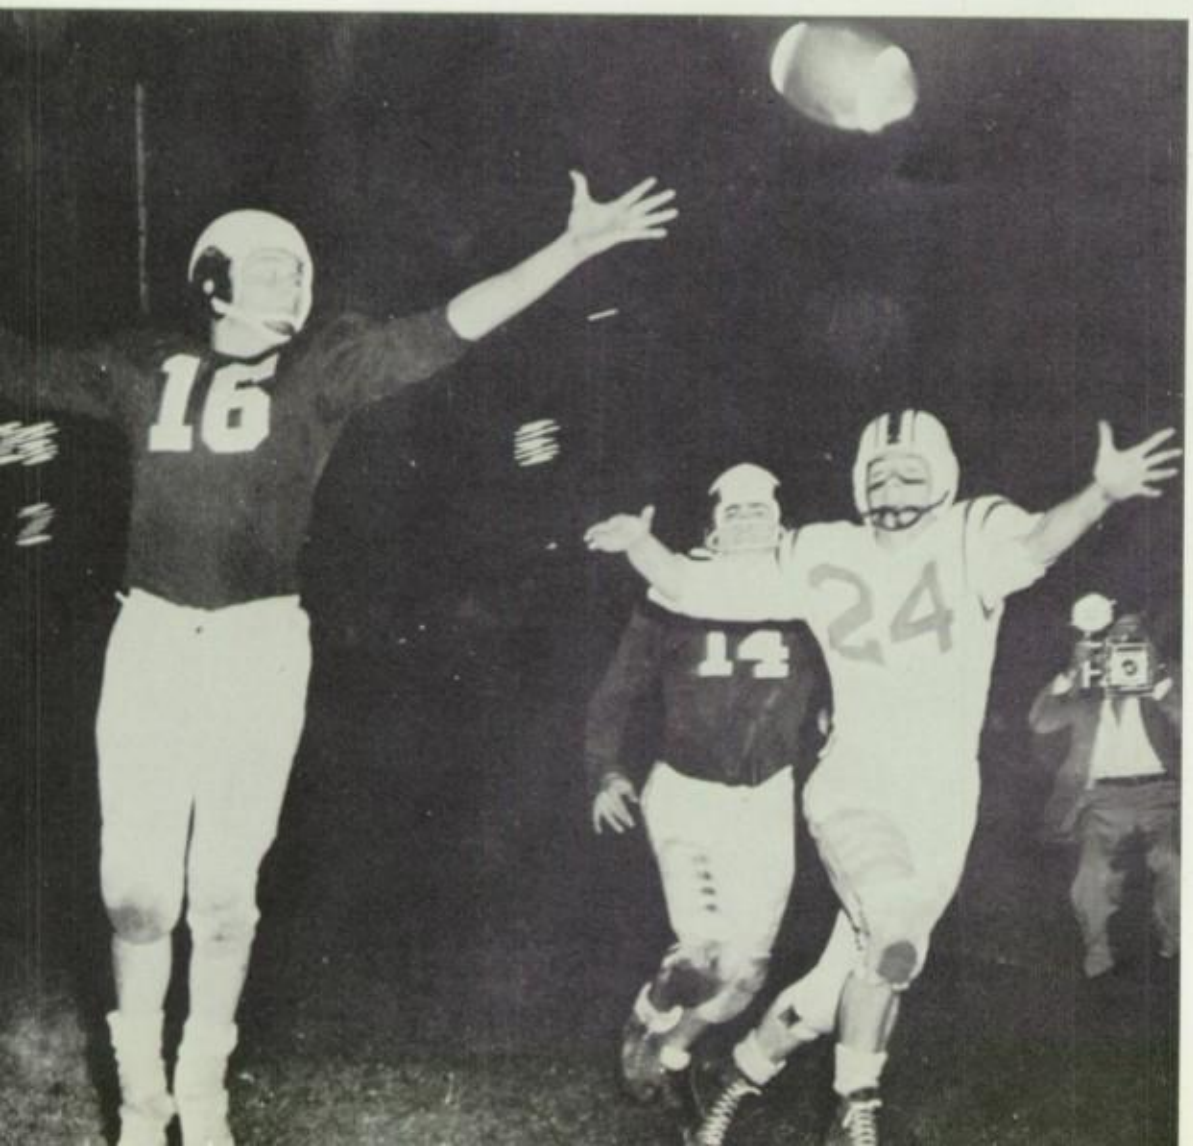
In 1957, we at Johnson City were very fortunate to have Fran Angeline, from Colgate, as our head coach. The team took to him right away and liked their new offense, the split-T very much. Our season started September first with double sessions work-outs. By the time the first game rolled around everyone was in fine shape and just waiting for the opening whistle. We lost a close one, 13-7, to Vestal before a capacity crowd at Johnson Field. Two weeks later, after working extra hard on the "hill" after every practice, we were scheduled to meet the highly favored E.F.A. squad. We lost our chance for a big upset in the last minutes of the game when they tied us up 12-12.

The rest of the season we managed to beat Union Endicott and smother visiting Onondaga Valley. Our season might have been brighter, but we were hampered by injuries to several players before our key games.

We can however, be proud of our team staying in there and giving every team a rough go of it all the way.







VARSITY FOOTBALL

J.V. BASKETBALL

The J.V. basketball team was quite a large group this year, but even so the new coach, Jim Cardon, did a fine job with the boys. During the season there were many close games such as the U.E. game which we won in a sudden death over time. Also there were a few very one-sided games which we are proud to say were all in favor of our J.V.'s. Of course, there were defeats which we do not like to remember like the Ithaca and the second North game. But all these games made for a very exciting and a fun-filled season for both the players and the spectators; for the well coached team put on many a fine exhibition of basketball while ending up with a 11-7 season.

Row 1: Bob Charpinski, Doug Patz, Joe Charpinski, Fred Keeley, Dale Herendeen, Andy Cibulsky, Joe Kolley.
Row 2: Coach Cardin, Doug Clark, Phil Yurecka, Dick Orzel, Tom Putman, Dick Tulsey, Gary Meddaugh, Bruce Leinster, Alan Greenwood, managers.

VARSITY BASKETBALL

Row 1: Walt Shoemaker, Joe Toner, Art May, Gary Winters, Ken Myers.
Row 2: Coach Cordts, George Clum, Jerry Szachara, Tom Lesko, Bob Michalak, Mike Charpinski, Jim Filip, manager.

November first rolls around very fast after school starts in the fall, and all the George Mikan's and Bob Huscie's assemble themselves in our cold little gym, for this is the start of basketball season. This year's team being a scrappy quintet even though there was only one senior on the starting team, captain Art May. Our record was not the most impressive but it was nothing to sneer at either. We finished the season with an eleven and nine record. In the beginning of the season we were the best team of the conference, but only for three quarters for in the fourth we were stumped and many a game was lost in the last eight minutes. As the season drew on we began to gain confidence and we went on to win many decisive games such as setting U.E. back for a third time and dumping North a second time in the finals. All in all we should be very proud of our team for there was not a game that we were not in there scrapping.

VARSITY BASKETBALL

VARSITY BASEBALL

The baseball team in 1957 spoke for itself. It won the championship in the Eastern Division. After winning game upon game from nearby contestants the boys really showed they had something when they scored four runs in the last inning to down the Vestal Bears six to four. This team, with coach Joe Giannetto, was not short of miraculous placing two boys on the STC squad and having the first seven batters in the lineup batting 300 or better. Tutsky, Hovancik, Brutvan, Russell, May, Sopchak, and Charpinsky.

Row 1: Ken Myers, Norm Hovancik, Art May, Ron Tutsky, Bill Brutvan, Paul Sopchak, Bob Donlick, Joe Toner.

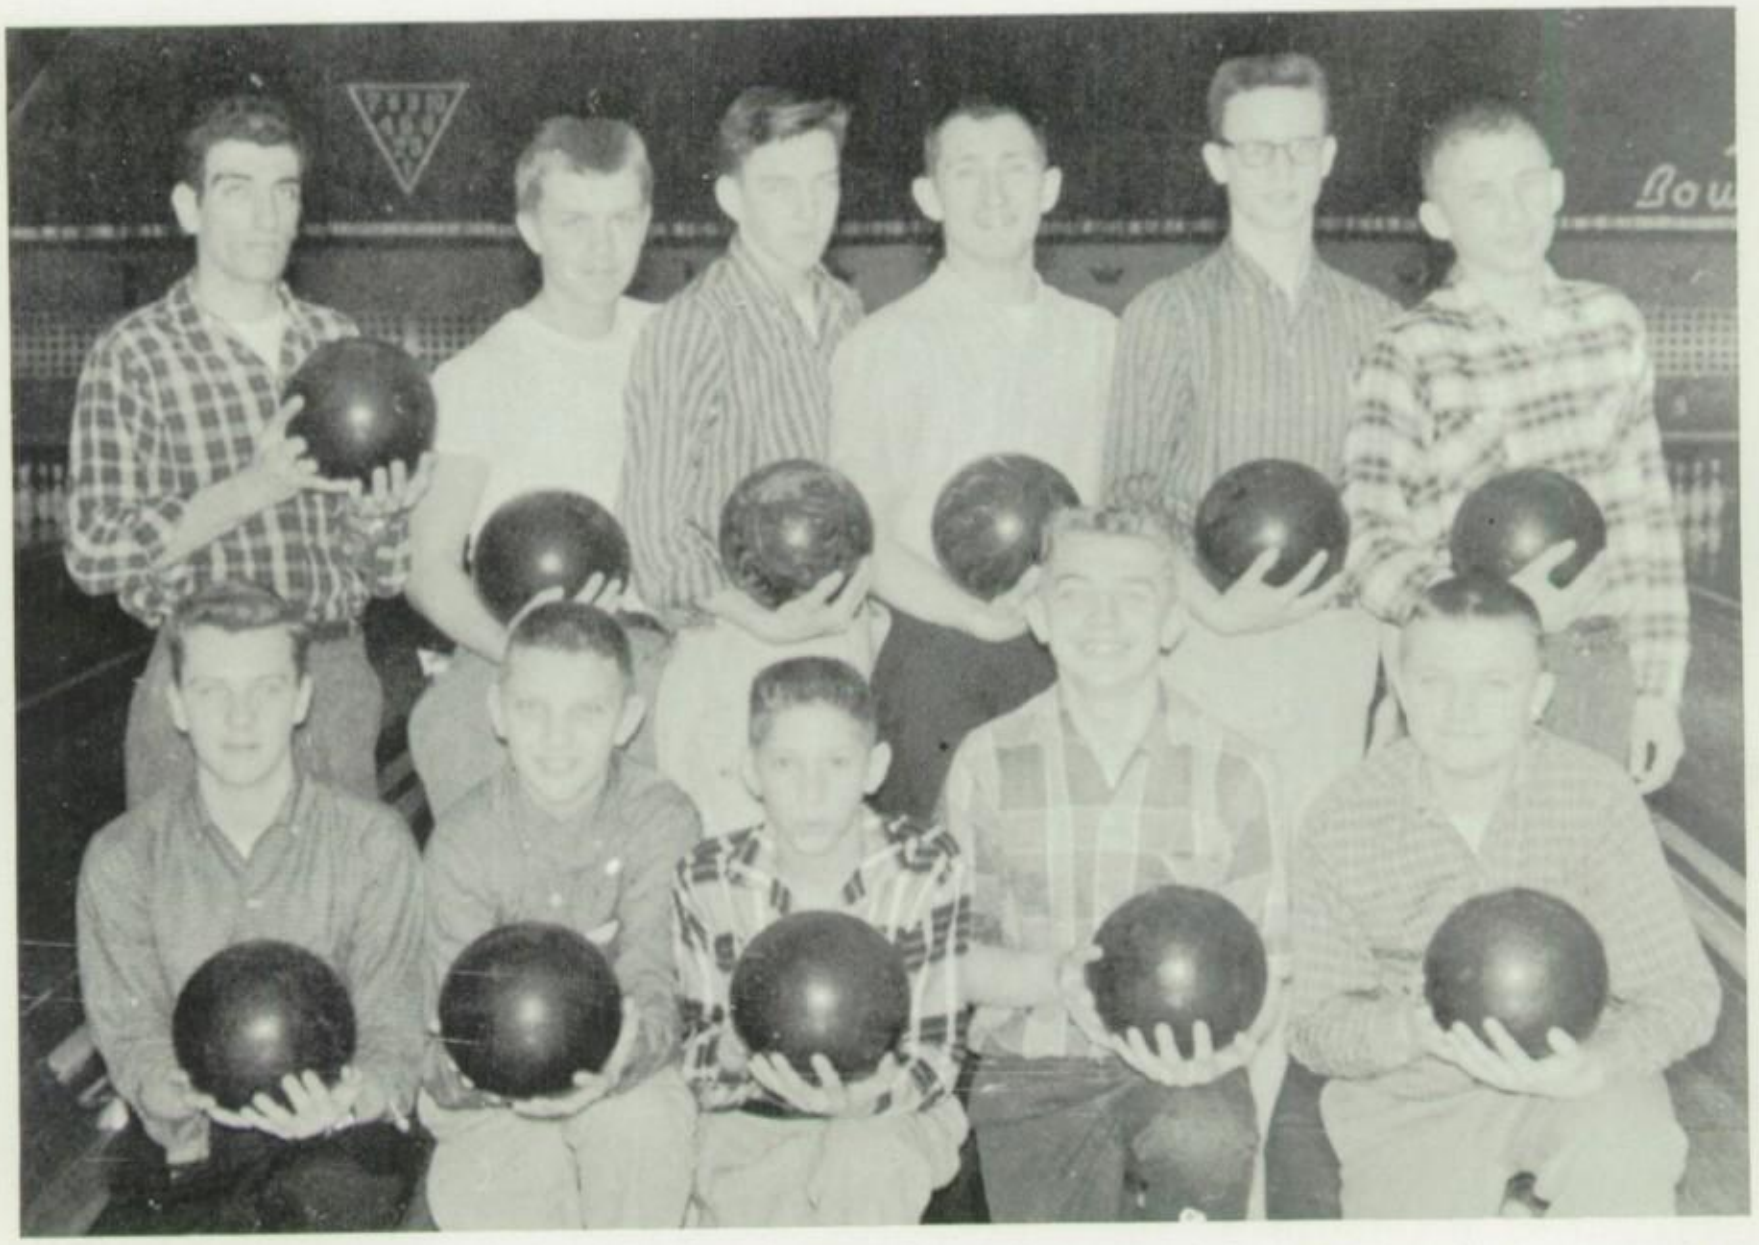
TRIPLE CITIES CHAMPIONS



BOWLING

The Bowling Team had a good season this year under the supervision of Mr. Clark. They have again won the Triple Cities High School Bowling Championship. The close games were with Central and Chenango Valley. The varsity included Bill Friedah, Roger Karns, Dan Wallkis, and Jim Alamo. We hope J.C. will always have a great team as it has had in the past.

VOLLEYBALL

The Volleyball Team in the Johnson City High School was more than just a team of well-coordinated and well-versified boys; it was a team filled with spirit and sportsmanship. The sportsmanship showed brilliantly when the team lost three games to Central and three games to North.

But not all was a failure, for along with eleven losses in all, the team won ten games, four coming from behind showing that the spirit on the team was terrific. Of course, a good coach is all important and we have one of the best in Joe Ciesielski.

SPORTS

For each sport in which a girl participates, she receives one point. If she is on a winning team or is in archery club, she receives three points. When she has accumulated nine points, she is eligible to get her school letters which she receives at a sports banquet.

TRIPLE SPORTS

The triple sports include soccer, hockey, and speed ball. They are played after school, and last until about five o'clock. The teams are found in the back of the school battling it out for top team. These games take a lot of skill and sometimes get pretty rough, but it's worth it to the champions, who find themselves three credits closer to their letters.

BOWLING

Bowling is another sport popular among the girls. The girls meet every Tuesday and Thursday at the R&R Bowling alleys after school. The girls are divided into sixteen teams. Half the teams play on Tuesday and the other half on Thursday. Each girl bowls one game. There is also a chance of entering the Junior Bowling Contest, which is held February 22, and March 1.

SOFTBALL

Softball is another sport which most girls like very much. After the girls are divided into teams, they meet after school and play seven innings of very exciting baseball. There are two games played each night four times a week. The winner of the Senior-Junior teams meets the winner of the Junior-Sophomore teams. They battle it out for the championship. The winning team is three credits richer.

ARCHERY

This is a sport strictly for the girls in J.C. The young archers are taught by the members of the Archery Club who have already mastered the art by getting a total of 150 points with 30 arrows. It may look very simple but just try it sometime. The young Robin Hoods can be seen in the back of the high school with their bows and arrows every noon in the fall and spring. Members of the Archery Club are given the chance to compete with other schools and really show their stuff. They also get three extra credits for their school letters.

VOLLEYBALL

This is another sport that is open to all girls who are interested in getting their J.C. letters. The girls are divided into teams and each team plays ten games. The top teams play each other for the championship. The champions win three credits toward their letters instead of one.

BASKETBALL

The girls who are interested in basketball really have a chance to show their skill. They meet twice a week and battle to win. There are 16 teams of 10 girls each. The teams are divided into two leagues Sophomores and Juniors, Juniors and Seniors. The winning team from each league plays for the championship. The winning team receives three credits for their letters.

Serving Business
is
our Business

For more than forty years, a parade of constantly improved business machines has spread from the Southern Tier to every corner of the earth. More than a thousand different models, from time stamps to the newest electronic data processing machines, are produced here. Development and application of these products have paced business growth and met the increasing need for handling the vast amount of information required by modern management. All our developments are in the interests of better service, for service is itself an IBM product.

" Best of luck always
to a real swell guy, who
is a little man + a terrific
little brother. Always
stay as sweet as you are
and you will always have
a world full of the "right
kind" of friends, me included, "
I'll be the only one who is
the "wrong kind."

Lots of love,
Your sis,
Mildred Milson

P.S. Good luck with your
ambitions and your Spartan
Airlines with 20 sparrows, 17
pigeons + its 1 flagship, an eagle.

Best of luck
always to a real
sweet + wonderful
guy.
